TRAVELING THROUGH
TIME..

AMAZED BY EXISTENCE..

THE DEPTH..

IN STOCK

DIGGING IN THE GARDEN
OF THE PAST..

reflecting and
confronting..

BEHIND THE SURFACE

"Lotus"

Primal chaos

Control is released
Energy bubbles
Overflows and flows

The geologist observes
doesn't try to organize
Lets it go
sees patterns, movement
Passion, fire, crusts
and feels the primal force

Experiences that force
knowing that fighting it is futile
going with the flow is passive
and distancing and responding
from an all-encompassing position
the natural way is

The intuitive...
